Requirement:

Homepage:

1. Attractive Banner: Feature high-quality images or videos highlighting key products or promotions.
2. Product Categories: Organize products into categories for easy navigation.
3. Featured Products: Showcase featured or best-selling products with detailed descriptions and pricing.
4. News and Updates: Include a section for news, company updates, and promotions.

Product Pages:

1. Product Listings: Display products with clear images, pricing, and detailed descriptions.
2. Product Variations: Allow users to choose from different product variations (e.g., colors, sizes).
3. Reviews and Ratings: Enable customers to leave reviews and rate products.
4. Add to Cart: Implement a shopping cart system for easy product selection and purchase.
5. Related Products: Suggest related items to encourage upselling.

User Accounts:

1. User Registration: Allow users to create accounts with personal information and payment details.
2. User Authentication: Implement secure login/logout functionality.
3. Order History: Users should be able to view their order history and track deliveries.

Shopping Cart and Checkout:

1. Shopping Cart: Provide a clear view of items in the cart, with the option to modify quantities or remove items.
2. Shipping Options: Offer various shipping methods with associated costs.
3. Payment Gateway: Integrate a secure payment gateway to accept online payments.

Contact and Support:

1. Contact Information: Display contact details, including email, phone, and physical address.
2. Customer Support: Provide a customer support form or chat for inquiries and assistance.
3. FAQ (Frequently Asked Questions): Create a dedicated FAQ section that answers common questions related to products, services, shipping, returns, and other relevant topics.

Additional Features:

1. Test a Ride: Allow users to schedule test rides for specific products, providing information on available models, locations, and booking options.
2. Find a Store: Implement a store locator feature that enables users to search for nearby physical stores or dealers. Display store addresses, contact details, and operating hours.

Legal Compliance:

1. Privacy Policy: Include a privacy policy detailing how user data is collected and used.
2. Terms and Conditions: Publish terms and conditions for website usage and transactions.

Content Management:

1. Admin Dashboard: Create an admin panel to manage products, orders, user accounts, test rides, store information, and FAQ content.
2. Content Updates: Enable easy content updates for news, promotions, product additions, and FAQ revisions.
